

# YOU (Veras & Maniscalco)

D/RE A/LA B-/SI- G/SOL A/LA D/RE

In the bush there is a fire, a fire that I call "You"

D/RE A/LA B-/SI- G/SOL A/LA D/RE

in the Red Sea there is water, water that I walk through

## Refrain

D/RE A/LA B-/SI- G/SOL

*Where are you bringing me? Where do you lead?*

D/RE A/LA B-/SI- G/SOL

*What is the promise that embraces my need?*

D/RE A/LA B-/SI- G/SOL

*How high the mountain? How fearsome the view*

D/RE A/LA B-/SI- G/SOL

*How can I follow unless I call "You"?*

In the tent there is an ark, an ark that I call "You"

my heart has hoped a temple, but build my son must do

In the manger there's a baby, a baby that I call "You"

God's grace has filled my soul, and a sword will pierce it through

On the cross there was a man, a man that I called "him"

On the shore he cooked my breakfast, and I call him "You" again
